CORSA VXR EXHAUST FROM MPG

Corsa VXR owners can benefit from bhp gains and a beautiful sound boost, with a choice of new premium-quality exhaust systems from Vauxhall specialist Midpoint Garage (MPG).

Custom-designed for the Corsa VXR, MPG's stainless steel exhaust systems are expertly manufactured in the UK, featuring mandrel bends for maximum flow and top-notch pulse TIG welds. A choice of polished tailpipes is available, with round or triangular options.

MPG's Corsa VXR exhaust is offered as a cat-back system, full system with decat pipe or full system with 200-cell sports cat. Prices are £529.38 (fitted) for the Corsa VXR cat-back system, £954 (fitted) for the Corsa VXR full system with 200-cell sports cat, and £784 for the Corsa VXR turbo-back decat exhaust system; to run cat-free, Corsa VXRs also need an EDS software remap, costing an additional £480. All prices include VAT.

MPG is located at 9 Valley Court, Sanderson Way, Middlewich, Cheshire CW10 0GF. Please phone 01606 834598, email info@midpointgarage.co.uk or log on to www.midpointgarage.co.uk for more information.
