3 November 2008

### EXCLUSIVE EXHAUSTS FROM MPG

Vauxhall specialist Midpoint Garage (MPG) has launched an exclusive new range of performance exhaust components.

First to be revealed is a series of superb sports decat pipes designed to remove restrictions from Vauxhall exhausts, improving power and performance.

Available now for Corsa VXR, Astra VXR and all turbocharged Astras with Z20LET, Z20LEH, Z20LEL and Z20LER engines, MPG's premium-quality decats are manufactured from high-grade stainless steel with mandrel bends for maximum flow and top-notch pulse TIG welds.

As a special introductory offer, readers can buy an MPG performance decat pipe for only £155 (plus P&P but including the VAT).

MPG's range of sports exhausts will soon be joined by a Vectra VXR decat pipe and a Corsa VXR full system, so please keep an eye on Midpoint Garage's website at [www.midpointgarage.co.uk](http://www.midpointgarage.co.uk) for future releases.

MPG is located at 9 Valley Court, Sanderson Way, Middlewich, Cheshire CW10 0GF. Please phone 01606 834598, email [info@midpointgarage.co.uk](mailto:info@midpointgarage.co.uk) or log on to the website for more information.
