Vauxhall clubs are invited to a special open day at Cheshire's all-new independent specialist Midpoint Garage (MPG). All Vauxhall and Opel drivers are welcome, and there's plenty of space for individual club displays.

If your club can arrange a gathering, we'd love to hear from you. Entry to the event is completely free, and it's hoped hundreds of Griffin enthusiasts will bring their cars to the meeting.

Attractions on the day will include a show 'n' shine contest with prizes, discounted power runs on a Dynapack 'rolling road', refreshments, trade stands and fun for all the family.

Everyone will be especially welcome to look around MPG's new 3,500 sq ft workshop, fully decked out with state-of-the art diagnostic machinery, three ramps, specialist tools and a vast array of spares. The firm's modern premises also boast a luxury waiting area with digital TV, complimentary tea and coffee, disabled parking and a baby changing area.

MPG offers an unbeatable combination of expert workmanship and excellent prices, aiming to provide a complete servicing, repair and modification package for owners in the North West and nationwide. With full dealer facilities, MPG caters for any Vauxhall whatever the age – from Viva to Monaro.

MPG is located at 9 Valley Court, Sanderson Way, Middlewich, Cheshire CW10 0GF. Please phone 01606 834598 or email info@midpointgarage.co.uk for more information.
