MPG SHOWS HOW IT'S DONE

Vauxhall specialist Midpoint Garage (MPG) got the show on the road with its first national open day on Sunday 14 October 2007.

All Vauxhall and Opel owners and enthusiasts were invited to the event, which took place at MPG's state-of-the art 3,500 sq ft workshop in Middlewich, Cheshire.

Car clubs from across the country attended the meeting, including the Vectra C/Signum Owners' Club, Vauxhall Vectra Owners' Club, Vauxhall Sports Car Club, Vauxhall Bedford Opel Association and Zlet.co.uk. Members brought almost 40 immaculate motors, with restored and modified examples of the Vauxhall Astra, Corsa, Vectra, Signum, Zafira, Cavalier and Omega on display.

Star of the show was the awesome VXR8 of James Laurence, which rubbed shoulders with John Roberts's mint Vectra Super Touring and MPG boss Ian Redgrave's concours Mk3 Astra GSi.

Mike Ridgway's black Astra Coupé Turbo won the show 'n' shine contest competition for cleanest car of the day. Mike was awarded with an Autoglym pack, presented by MPG's pair of promo girls.

Other attractions on the day included trade stands, refreshments and family fun on a bouncy castle. Visitors were invited to look around MPG's impressive facilities, which cater for any Vauxhall whatever the age.

MPG offers an unbeatable combination of expert workmanship and excellent prices, providing a complete servicing, repair and modification package for Vauxhall owners in the North West and nationwide. With full dealer facilities and genuine GM parts, all work is done without affecting the Vauxhall factory warranty.

MPG is located at 9 Valley Court, Sanderson Way, Middlewich, Cheshire CW10 0GF. Please phone 01606 834598 or email info@midpointgarage.co.uk for more information.
