KEEP YOUR WAGONS ROLLING

Don't let van troubles bring your business to a standstill, says new Cheshire commercials specialist Midpoint Garage (MPG). Vehicle unreliability can mean massive setbacks for any firm, when transport downtime can result in more man-hours, lost income and unhappy customers.

So why take any chances? Middlewich mechanics MPG understand the importance of keeping vehicles moving – avoiding potential breakdowns, while maintaining fuel economy and healthy resale values.

MPG aims to provide van and truck servicing and repairs for any size of fleet, at accountant-pleasing prices. The firm's friendly and well-trained staff are committed to providing maintenance packages promptly, professionally and economically.

With full main dealer facilities, MPG can tackle work on any car, van or truck up to 7.5 tonnes without affecting the factory warranty. Its 3,500 sq ft workshop is completely decked out with state-of-the art diagnostic machinery and tools to tackle everything from fault finding to specialist work on engines and transmissions.

- Main dealer facilities for any vehicle up to 7.5 tonnes.
- Discounted servicing without affecting the factory warranty.
- Latest diagnostic equipment and software support for any model.
- Genuine parts supplied fitted.
- Engine, key and ECU programming.
- Tyres, exhausts and four-wheel alignment facility.
- Bodywork and renovations.
- Air con regassing and fault finding.
- Fully-trained staff you can trust.
